SIGNS WITH SMART CONNECTIVITY FOR BETTER ROAD

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user profile (Jerome jeromeregi@gmail.com). Below the navigation bar, the main content area is titled 'Dashboard' and includes a 'Create resource' button. The dashboard is organized into several sections:

- For you:** A row of eight quick start guides, each with a title, description, and a 'Getting started' button with a time estimate.
 - Build:** Explore IBM Cloud with this selection of easy starter tutorials and services. (2 min)
 - Explore IBM Cloud Shell:** Try a command-driven approach for creating, developing, and deploying a web project. (2 min)
 - Use Cloud Foundry:** Deploy and run your applications without managing servers or clusters with IBM Cloud Foundry. (10 min)
 - Create and deploy an application:** Browse our starter kits, and then select one to jump start the process to create and deploy your app. (5 min)
 - Visit the IBM Cloud catalog:** Explore our unique product catalog that contains 190+ services and software for your business solutions. (1 min)
 - Set up your IBM Cloud account:** Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources. (10 min)
 - Build a web app with Watson Speech to Text:** Deploy a conversational interface compatible with any application, device, or channel. (15 min)
 - Get Started with Studio:** Get started with Studio and Cloud Object. (15 minutes)
- News:** A section with a 'View all' link, displaying a list of recent news items.
- Recent support cases:** A section with a 'View all' link, displaying a summary of support cases.
- Planned maintenance:** A section with a 'View all' link, displaying a summary of scheduled maintenance events.
- IBM Cloud status:** A section with a 'View all' link, displaying a world map and a 'No issues' status.

The bottom of the screenshot shows a Windows taskbar with various application icons and a system tray displaying the date and time (09:28 PM, 09/11/2022).
